Commissioner for Patents
P. O. Box 1450
Alexandria, Virginia

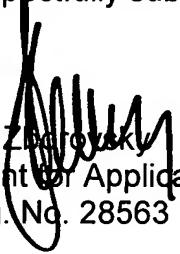

Sir:

In this application negotiations are being conducted between
Moles, the assignee of this application, and SIBA Chemical, a company
which is interested in obtaining rights for the invention covered by the above
identified application.

It is believed that expedited examination of this patent and a decision of the United States Patent and Trademark Office on it is exceptionally important for the negotiations. It is therefore respectfully requested to make this application SPECIAL and to expedite the examination.

The required petition fee is submitted herewith.

Respectfully submitted,

Ilya Zabrovsk
Agent for Applicant
